 Re: STAR Program and Classes

Journeymen and Apprentices who have all required safety classes completed by March 31st are eligible to take part in the STAR program. STAR stands for Safety Training Achievement Recognition and is an incentive program to encourage a safe and competent commercial and industrial paint workforce.

Below is a list of the required safety classes:

Commercial Painter

Industrial Painter

1.	Respirator Medical	1.	Respirator Medical
2.	Respirator Fit	2.	Respirator Fit
3.	OSHA 30	3.	OSHA 30
4.	Fall Protection	4.	Fall Protection
5.	First Aid/CPR	5.	First Aid/CPR
6.	Boom Lift/Scissor Lift/Fork Lift	6.	Boom Lift/Scissor Lift/Fork Lift
7.	New Member Orientation Class	7.	New Member Orientation Class

Completing the above safety classes by March 31st is a requirement of union painters and a standard for safety expectations. By completing the above classes, you are eligible to receive the year's contract raise.

The following additional safety classes are not required for the raise but are required for the STAR BONUS:

Commercial Painter

Industrial Painter

1.	Confined Spaces	1.	Confined Spaces
2.	RTC Hazard Communication	2.	RTC Hazard Communication
		3.	Lead Awareness

STAR BONUS:

The STAR bonus rewards those who go above and beyond to not only be a safe painter but also continue to learn and grow as a paint professional. The STAR classes are scheduled to accommodate the working painter with 5:00 p.m. start times only on Wednesday evenings. The class topics are relevant to the working painter and designed to be helpful with real world knowledge and skill building. All classes will take place at The Regional Training Center and each are worth 4 hours towards the STAR bonus.
